FLIGHT SUPPORT

CARGO GSSA | CHARTER | PASSENGER GSA | TRAVEL SERVICES

Airmark Airline Marketing & Services is a leading Flight Support Company in Turkey.

Focused on providing highest level of service and cost effective solutions for its partners, Airmark has proven itself to be the best choice for all its partner airlines.

As a major player in the Turkish market, Airmark is known for its high degree of expertise and commercial motivation. Airmark is a well known, respected and reliable member of the aviation community, providing a diverse range of aviation services for any airline requiring a long term partner in Turkey.

Airmark provides complete set of services not only at airports in Turkey but also provides worldwide Flight Support services for cargo, passenger, executive and VIP flights. With a dedicated OCC team Airmark is there for you 24/7.

Airmark is a class C ground handling service provider, licensed by Turkish Civil Aviation Authority.
